

The library team have been busy managing the book stock over the last few months. Sue has withdrawn and donated over 400 books to Better World Books to make room for some new stock on the shelves. We are now busy adding new and donated titles so there will be plenty for you to read this summer. There is plenty going on elsewhere in August, including [Cycle to Work Day](#) on the 5th, which could be our chance to do our bit for a **greener NHS!**

Some other dates for your diary this month:

**August 1-6 — [World Breastfeeding Awareness Week](#)** — The global campaign that aims to inform, anchor, engage and galvanise action on breastfeeding and related issues.

**August 3 — [International Women's Day](#)** — A global holiday celebrated annually to commemorate the cultural, political, and socioeconomic achievements of women.

**August 4 — [Playday](#)** — The annual national day for play in the UK, coordinated by Play England, Play Wales, Play Scotland and PlayBoard Northern Ireland. The 2021 theme, **Summer of Play**, recognises the challenges children and young people have faced over the past year and the need to enjoy play with their friends, having fun. Families and carers are being encouraged to celebrate children's right to play in their local communities.
