

RESOURCE OF THE MONTH

COCHRANE LIBRARY

The Cochrane Library is a collection of high-quality, independent evidence to inform healthcare decision-making.

The Cochrane library promotes evidence-informed health decision-making by producing high-quality, relevant, accessible systematic reviews and other synthesized research evidence.

Their work is internationally recognised as the benchmark for high-quality information about the effectiveness of health care and is generally known as the ‘Gold Standard’ for systematic reviews.

Visit our [padlet page](#) or contact the Library for more information: academic.library@lscft.nhs.uk
