

This month we will be celebrating the NHS's 74th Birthday. Help us to share how you celebrate by tagging us in your celebrations on Twitter ([@LscftL](https://twitter.com/LscftL)). We have a range of learning disability books available to loan which are currently being displayed in the library, our full catalogue can be viewed here: shorturl.at/iCGNP. Remember we can send books out to you if you cannot access the Lantern Centre. Health Information Week is taking place between 5th to 11th of July—we will be sharing knowledge about health literacy awareness, raising awareness of what good quality health literacy looks like and giving you some top tips on how to spot fake news. Keep your eyes peeled for our display and resources at the Lantern centre. Our latest version of our Making Every Contact Count bulletin is also available to view; take a [look here](#).
